

Which one of these kids will go hungry this weekend?

You can't see an empty stomach.

In Canada, child hunger isn't always apparent. That's why Blessings in a Backpack works closely with school administrators and teachers to identify children in need and ensure they have enough to eat when other support isn't available. Students are sent home with a backpack filled with food every Friday, and return it on Monday, ready to learn. Help us eliminate child hunger. **Only \$100 feeds a child in your community for a full school year.**
